### World Bank Presentation: How to Protect and Promote the Nutrition of Mothers and Children Toolkit

Marie Chantal Messier and colleagues from the World Bank will discuss the toolkit that they have developed in Latin America and the Caribbean for protecting and promoting the nutrition of mothers and children in stable, crisis and emergency situations. The toolkit, which can be accessed [here](#), underlines how to effectively do so through close collaboration across sectors, such as crisis response, health, nutrition, agriculture, water and sanitation, and social protection.

The presentation will take place Tuesday, February 5, 2013 at 10:30 AM EST in the Amex Conference Room, Suite 270, North Tower of the Ronald Reagan Building in Washington, DC.

### Job Opening: Food Technologist with Food for Peace

USAID's Office of Food for Peace is eagerly recruiting for a Food Technologist. For more information and to apply, [click here](#). The position closes February 14, 2013.

### Request for Applications: Powering Agriculture

[Powering Agriculture: An Energy Grand Challenge for Development](#) has released its first request for proposals. Powering Agriculture is currently offering awards of between \$300,000 and \$1,500,000 for innovative, market-based, clean energy solutions for farmers and agribusinesses at all points along the agricultural value-chain - from growing and harvesting to processing and storing food. The closing date for applications is February 6, 2013. [Learn more or apply](#).

If you are not already on our e-mail list, sign-up [here](#). We welcome news of events, tools, trainings, country updates and other content from the broad FSN Network community. Please send any suggested content to [commentsfsn@gmail.com](mailto:commentsfsn@gmail.com).

The TOPS Program was made possible by the generous support and contribution of the American people through the United States Agency for International Development (USAID). The contents of this newsletter do not necessarily reflect the views of USAID or the United States Government.

The FSN Network is being spearheaded by TOPS, a USAID/FFP funded program seeking to build the capacity of FFP grantees and other food security and nutrition implementers. The program is working to improve the quality of implementation through fostering collaboration, innovation, and knowledge sharing around food security and nutrition best practices. For more information about TOPS please click [here](#).
