### Announcements from USAID's Office of Food for Peace

#### Government of Haiti Stakeholder Meeting for Potential Title II RFA Applicants

On February 19, 2013, the Government of Haiti (GOH), Ministry of Social Affairs and Labor, held a meeting with potential applicants for the Title II Request for Applications (RFA) for a multi-year development food assistance program in Haiti. The Office of Food for Peace (FFP) would like to share these documents with all potential applicants. Note that FFP did not generate the documents; nor will they translate them into English. The documents may provide insights helpful with program development. For more information and to download the documents, visit [fsnnetwork.org](http://fsnnetwork.org).

The TOPS Program was made possible by the generous support and contribution of the American people through the United States Agency for International Development (USAID). The contents of this newsletter do not necessarily reflect the views of USAID or the United States Government.

The FSN Network is being spearheaded by TOPS, a USAID/FFP funded program seeking to build the capacity of FFP grantees and other food security and nutrition implementers. The program is working to improve the quality of implementation through fostering collaboration, innovation, and knowledge sharing around food security and nutrition best practices.
