## SPECIAL ISSUE

June 9, 2014 | Volume 4, Issue 23

### **Food for Peace Strategy Consultation: What emerging issues should be addressed in the FFP strategy update?**

**Online Discussion, June 9 - 20, 2014**

Food for Peace wants input from you and other representatives of the Title II implementer community as part of a consultative process around the revision and updating of the FFP FY 2006-2010 Strategic Plan.

As a step in this process, TOPS is hosting a series of [online discussions](#) with questions from FFP on the FSN Network Website.

Please join us for the first discussion to share your comments about what emerging issues should be addressed in the updating of the FFP strategy. The comments in this discussion will be shared directly with FFP.

View the discussion and share your comments at [fsnnetwork.org](http://fsnnetwork.org). This discussion will close on June 20.

If you are not already on our e-mail list, sign-up [here](#). We welcome news of events, tools, trainings, country updates and other content from the broad FSN Network community. Please send any suggested content to [news@fsnnetwork.org](mailto:news@fsnnetwork.org).

The TOPS Program was made possible by the generous support and contribution of the American people through the United States Agency for International Development (USAID). The contents of this newsletter do not necessarily reflect the views of USAID or the United States Government.

The FSN Network is being spearheaded by TOPS, a USAID/FFP funded program seeking to build the capacity of FFP grantees and other food security and nutrition implementers. The program is working to improve the quality of implementation through fostering collaboration, innovation, and knowledge sharing around food security and nutrition best practices. For more information about TOPS please click [here](#).
