# TOPS Permagarden Workshop

TOPS invites you to participate in a Permagarden Workshop tomorrow, July 8, in Washington, DC.

Learn more about the permagarden approach and how it uses agro-ecological practices to improve soil fertility and water conservation in order to increase garden production near the household. The workshop will also include discussions on how this approach may be used to improve food security and nutrition outcomes in development projects.

**Date:** July 8th, 2:00pm-5:00pm

**Location:** 1101 15th St. NW, 3rd Floor, Washington, DC 20005 (Grameen Foundation Conference Room)

**RSVP:** Email Eric Carlberg, [ECarlberg@dc.mercycorps.org](mailto:ECarlberg@dc.mercycorps.org)

The TOPS Program was made possible by the generous support and contribution of the American people through the United States Agency for International Development (USAID). The contents of this newsletter do not necessarily reflect the views of USAID or the United States Government.

The FSN Network is being spearheaded by TOPS, a USAID/FFP funded program seeking to build the capacity of FFP grantees and other food security and nutrition implementers. The program is working to improve the quality of implementation through fostering collaboration, innovation, and knowledge sharing around food security and nutrition best practices.
