Meeting Materials Now Available Online

Thank you so much to all presenters, participants, staff, and volunteers who made the Knowledge Sharing Meeting a success. We brought together over 200 practitioners and donors to learn about new tools and practices, gain skills for building stronger, more resilient food security programming, and discuss how to incorporate knowledge management into your everyday work.

All session materials, including presentations, handouts, and videos of the keynote and plenary sessions, are now available at fsnnetwork.org.

Please send any questions about meeting materials to events@fsnnetwork.org.
