Online Consultation for FFP Strategic Plan Update

As a step in the consultative process around the revision and updating of the Food for Peace (FFP) Strategic Plan, Susan Bradley of FFP posed nine discussion questions to representatives of implementing organizations at the TOPS/FSN Network Knowledge Sharing Meeting in July 2014.

The TOPS Program has posted these questions to the [online discussion forum](#) of the FSN Network Portal in an effort to open up the conversation to all implementers of FFP-funded projects.

We invite you to browse through the questions below and share your thoughts with FFP through the FSN Network Portal **by Friday, September 5:**

- [Question 1: Targeting FFP Non-Emergency Resources](#)
- [Question 2: FFP's Unique Role in Reducing Hunger and Poverty](#)
- [Question 3: FFP's Goal Statement](#)
- [Question 4: FFP's Contribution to USAID's Mission](#)
- [Question 5: "Nutrition Security" and the Concept of "Utilization"](#)
- [Question 6: FFP and Urban Hunger](#)
- [Question 7: Local Governance](#)
- [Question 8: FFP and Safety Nets](#)
- [Question 9: Working Ourselves Out of a Job](#)

Contributors will need to sign in or register to the FSN Network Portal to make a contribution. All responses posted to the FSN Network Portal **by Friday, September 5**, will be shared directly with FFP.

View the full set of questions in the Food for Peace Strategy Update online discussion forum at fsnnetwork.org.

updates and other content from the broad FSN Network community. Please send any suggested content to news@fsnnetwork.org.

The TOPS Program was made possible by the generous support and contribution of the American people through the United States Agency for International Development (USAID). The contents of this newsletter do not necessarily reflect the views of USAID or the United States Government.

The FSN Network is being spearheaded by TOPS, a USAID/FFP funded program seeking to build the capacity of FFP grantees and other food security and nutrition implementers. The program is working to improve the quality of implementation through fostering collaboration, innovation, and knowledge sharing around food security and nutrition best practices. For more information about TOPS please click [here](#).
