FY15 ARR Guidance and Associated Templates

The Office of Food for Peace's (FFP) Annual Results Report (ARR) guidance for FY 2015 results reporting and its associated templates are now available [here](#).

The ARR is an annual reporting requirement for current and recently closed FFP awards implemented by private voluntary organizations (PVOs) during FY 2015. Awardees that receive funding from the Food for Peace Act (Title II), International Disaster Assistance (IDA) account, Community Development Funds (CDF), and Overseas Contingency Operations funds (OCO) are required to submit ARR. These include development food assistance projects, emergency food assistance projects, and International Food Relief Partnership (IFRP) grants.

For FY 2015 results reporting, FFP has revised the ARR guidance to include guidance on annual reporting for emergency projects. The ARR includes an analytical narrative results report, lessons learned, success stories, and the standardized annual project questionnaire (SAPQ). To enhance user experience and minimize data entry errors, the Food for Peace Management Information System (FFPMIS) has been improved.

Please note the following:

- The ARR for FY 2015 are due on November 2, 2015.
- The guidance and associated templates can also be found on the Food for Peace website: <https://www.usaid.gov/what-we-do/agriculture-and-food-security/food-assistance/guidance/implementation-and-reporting>.
- Questions on the ARR and SAPQ may be directed to AMEX International Inc. at ffpdocs@amexdc2.com.
- Awardees are required to submit all ARR information through FFPMIS (<https://usaid-ffp.entellitrak.com>). Questions or problems related to FFPMIS may be directed to the Help Desk at FFPMIS_Support@devis.com. The Help Desk hours are Monday to Friday from 9 am to 5 pm EST.
- Questions related to individual awards and performance should be directed to the award's Agreement Officer's Representative (AOR).
