Register Now for FFP's Target Setting Workshop in Kampala, Uganda

Monday, September 19, 2016 | 8:30AM - 5:00PM

Speke Resort Munyonyo, 94 Wavamunno Road, Kampala, Uganda

USAID Office of Food for Peace (FFP) will host a workshop on setting targets for all types of variables reported on project Indicator Performance Tracking Tables (IPTT). In a day of presentations and practical exercises, participants will investigate different approaches to establish reasonable, but challenging, targets for FFP and project-specific "custom" indicators. Because of their importance to target-setting, estimation of base values for monitoring indicators will also be covered.

This session is designed for Monitoring and Evaluation officers and coordinators, Chiefs of Party, Food for Peace Officers, and others who want to know more about setting targets for indicators used to monitor or evaluate FFP-funded development, resilience, or emergency programs.
